

Co-hosted Department of Anesthesia & Critical Care and
HDSI Grand Rounds

What Implementation Science has to Teach Anesthesia and Perioperative Care

Presented by Meghan Lane-Fall MD, MSHP

*Assistant Professor, Anesthesiology and Critical Care, Perelman School of Medicine.
University of Pennsylvania*

Date: Wednesday, November 6th **Time:** 7:00am – 8:00am **Location:** Billings P117

Objectives:

- Explain where implementation science fits in the translational research spectrum
- List three considerations in the conduct of hybrid effectiveness-implementation trials
- Describe the evidence supporting standardization of OR to ICU handoffs

The University of Chicago Pritzker School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
The University of Chicago Pritzker School of Medicine designates this live activity for a maximum of *1 AMA PRA Category 1 Credits™*.
Physicians should claim only the credit commensurate with the extent of their participation in the activity.
