

**Joint Section of Adult and Pediatric Endocrinology, Diabetes, & Metabolism and HDSI Special Seminar**

# ***Healthcare Delivery Research to Advance Care that Fits***

**Presented by Victor Montori, MD, MSc**

*Professor of Medicine, Mayo Clinic, Rochester, MN*

*Director of Late Stage Translational Research at the Mayo Center for Clinical and Translational Science, Senior Advisor for the Agency for Healthcare Research and Quality*

**Date:** Thursday, November 7<sup>th</sup>      **Time:** 5:00pm – 6:00pm      **Location:** Knapp Center 1103

## **Objectives:**

- To understand the role of shared decision making in the translation of evidence-based medicine into patient-centered care.
- To understand the manner in which evidence-based healthcare causes non adherence and reorienting “noncompliance” for workload to capacity imbalance
- To describe Minimally Disruptive Medicine and at least 3 activities that could be reoriented to achieve its goals.

## ***Snacks provided***

The University of Chicago Pritzker School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Chicago Pritzker School of Medicine designates this live activity for a maximum of **1 AMA PRA Category 1 Credits™**.

Physicians should claim only the credit commensurate with the extent of their participation in the activity.
